Why People Love living in Forest Lake

Forest Lake is just 20 km southwest of Brisbane's CBD, offering suburban calm with city convenience. The community centres around a man-made lake surrounded by walking paths, parks, and cafés.

- Green Spaces and Recreation: Locals enjoy the trails through Forest Lake Parklands, paddle around the lake, or take the short drive to Oxley Creek Common for weekend picnics. Sports fields and playgrounds make it easy to stay active year-round.

- Community and Family Life: Forest Lake's design as a master-planned community means safe streets, plenty of green space, and an inclusive neighbourhood feel. Around 24 000 residents call it home, with active local groups and weekend markets.

- Shopping and Essentials: Forest Lake Shopping Centre covers day-to-day needs with major supermarkets, pharmacies, and cafés. Larger retail options at Springfield and Indooroopilly are a quick drive away.

- Education and Transport: With good schools, childcare centres, and TAFE options nearby, families have plenty of choice. Buses connect to Richlands Station for quick train access to Brisbane's CBD, while the Logan and Centenary motorways make driving simple.

We're AFRA Certified

Unlike some other Melbourne removalists, we are a proud member of the Australian Furniture Removers Association.

This means that we must comply with strict industry standards and codes of conduct and we are subject to regular audits to ensure we are upholding these.

We have also been around for a lot longer than five minutes.

In fact, we have been in the removals game for more than 20 years and have bases not only in Melbourne but also Sydney, Brisbane and Perth.
