Why People Love living in St Lucia

Just 6 km southwest of Brisbane's CBD and bordered by river views on three sides, St Lucia offers a balance of prestige, convenience and green space . We understand the suburb's layout – from narrow streets and student housing near UQ to elevated homes with complex access.

- Leafy & Residential with a University Heart: Home to The University of Queensland, St Lucia blends academic energy with suburban calm, making it popular with students, staff and families alike.

- River Views & Parklands: Riverside walks, Guyatt Park and the CityCat terminal make it easy to enjoy the outdoors or hop across to the city.

- Quiet Streets with City Access: Local roads feed directly into Coronation Drive and the Western Freeway, giving residents fast access to the CBD while maintaining a quiet residential feel.

- Community & Amenities: Boutiques, grocers and cafés cluster near Hawken Drive, while nearby Indooroopilly and Toowong offer larger retail and transport hubs.

- Ideal for Families and Professionals: Catchment zones for top-performing schools, proximity to UQ, and a well-connected bus and ferry network make St Lucia ideal for a wide range of residents.

We're AFRA Certified

Unlike some other Melbourne removalists, we are a proud member of the Australian Furniture Removers Association.

This means that we must comply with strict industry standards and codes of conduct and we are subject to regular audits to ensure we are upholding these.

We have also been around for a lot longer than five minutes.

In fact, we have been in the removals game for more than 20 years and have bases not only in Melbourne but also Sydney, Brisbane and Perth.
